

Leamington Primary Science Knowledge Organiser Year 1

Human Body & Five Senses – *How do our senses help us?*

What I should already know	What I will learn	Important words to help me. (vocabulary)	Useful Diagram												
<p>The names of some body parts.</p>	<p>What are the different parts of our bodies called?</p> <p>We will learn: - hand, arm, back, legs, hair, mouth face, eyes, nose, ear, lips, knee, head, feet, shoulders.</p> <p>What are our five senses?</p> <p>We will learn all about our five senses. We will explore what they are and how they help us with hands on activities.</p>	<table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td style="width: 20%;">Senses</td> <td>Any of five ways to understand what is around us.</td> </tr> <tr> <td>Taste</td> <td>Experiencing the flavour of something.</td> </tr> <tr> <td>Touch</td> <td>To experience how something feels.</td> </tr> <tr> <td>Hear</td> <td>To receive sounds with our ears.</td> </tr> <tr> <td>Smell</td> <td>To use our noses to identify smells.</td> </tr> <tr> <td>See</td> <td>To use our eyes to look.</td> </tr> </table>	Senses	Any of five ways to understand what is around us.	Taste	Experiencing the flavour of something.	Touch	To experience how something feels.	Hear	To receive sounds with our ears.	Smell	To use our noses to identify smells.	See	To use our eyes to look.	<div style="border: 2px solid purple; padding: 10px; text-align: center;"> <p>The Five Senses</p>  </div> <div style="text-align: center; margin-top: 20px;"> <p>Parts of the Body</p>  </div>
Senses	Any of five ways to understand what is around us.														
Taste	Experiencing the flavour of something.														
Touch	To experience how something feels.														
Hear	To receive sounds with our ears.														
Smell	To use our noses to identify smells.														
See	To use our eyes to look.														
Interesting Facts															
<p>We taste food using both our sense of taste and smell.</p>	<p>We will also explore how we are all unique and have different hair and eye colours.</p>														
Ideas for Scientific Enquiry															
<p>*Explore our senses and how they help us.</p> <p>*Name part of the body.</p> <p>*Collect data and compare hair and eye colour of our peers.</p>
